**Administrative Concepts Extends Its Reach  
into Three States**

*Southwest Florida* – Administrative Concepts recently announced that it has expanded its coverage area into Ala., Ga., and Miss. by becoming licensed and carrying workers' compensation services in these states. The rationale for the expansion is to provide coverage for current clients in Florida with employees or locations in these other areas. As the client base continues to grow in the newly covered states, Administrative Concepts will add offices and internal employees to acquire new business and to service the accounts.

A professional employer organization that delivers comprehensive solutions to business owners' human resource challenges, Administrative Concepts provides companies with payroll, tax, benefit, human resource and unemployment services. As part of its Four Corners of Excellence family of companies, Administrative Concepts can offer additional, complementary services to its current and prospective clients. The three companies that comprise the three remaining Four Corners of Excellence are Employment Concepts, Payroll & More, and Southern Eagle Insurance/Risk Concepts.
